- Research, identify and proactively build relationships with CEOs and Founders of top companies from around the world
- Attend conferences, travel across the country to meet entrepreneurs, and learn from GA portfolio founders
- Develop perspectives on compelling businesses and industries and share them with firm leadership on a consistent basis
- Learn about the General Atlantic deal process and investment philosophy and aid in due diligence, financial analysis, and investment decisions by participating on live deals
- Work closely with other sector teams of interest, including Business Services, Financial Services, Healthcare and Retail/Consumer

**Qualifications**

- Record of academic and professional achievement
- Entrepreneurial spirit with high energy level and ability to work in a dynamic environment
- Genuine desire to work in a team-oriented environment
- Excellent interpersonal skills and communication skills
- Demonstrated interest in and knowledge of general business
- Ability to build and foster a strong network of relationships, internally and externally, across levels
- Creative approach to developing innovative solutions and business opportunities
- Commitment to excellence and a high level of integrity
- Interest and ability to work in New York City for the summer
